M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Upon commencement of their employment, all staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Refresher training will be provided at least once every six months and all training will be documented and made available to an authorised officer upon request.

The premises will be an active member of any local "pub watch" or equivalent scheme where such a scheme is in existence.

b) The prevention of crime and disorder

A CCTV system shall be installed at the premises and will meet the following criteria:

- The system will display on any recording the time and date of said recording;
- The system will be recording whenever the premises is open to the public;
- Any recordings will be retained for a minimum of 28 days after they are made and will be produced to an authorised officer upon request, so long as said request is in accordance with the principles of the Data Protection Act or any subsequent or alternative legislation;
- As a minimum, the CCTV will capture a "head and shoulders" image of persons entering the premises through the main public entrance.

Appropriate signage alerting customers to the use of CCTV shall be displayed in a conspicuous position at the premises.

A competent person trained in the use of and operation of the CCTV will be in attendance at the premise at all times that licensable activities are taking place. Said person will be able to fully operate the CCTV system and be able to download data in a recognised format when requested.

An incident register of any ejections from the premises will be maintained at the premises and any details of public order offences will be recorded. Said register will be made available upon request to an authorised officer.

Prior to any occasion on which licensable activities are to be carried on at the premises, a risk assessment will be carried out to determine whether door supervisors are required. An appropriate number of door supervisors will be utilised in accordance with said risk assessment.

The premises will have a written zero tolerance drugs policy which is enforced at all times.

c) Public safety

Any sales of alcohol knowingly made for consumption beyond the curtilage of the premises will be made in a sealed container.

d) The prevention of public nuisance

The management of the premises will ensure that the area immediately outside the entrance to the premises is kept clean, tidy and free from litter.

Signs will be placed in a prominent position at the main public exit requesting customers to leave the premises and the area quickly and quietly.

e) The protection of children from harm

There shall be no persons under the age of eighteen permitted on the premises after 23:00 each evening.

A "Challenge 25" Policy shall be adopted and enforced at the premises whereby any person who appears to be under the age of 25 shall be required to provide identification to prove that they are over the age of 18 before they are permitted to purchase alcohol. The only forms of acceptable identification will be:

- A Passport;
- A UK Photocard Driving Licence;
- Official ID card issued by HM Forces or EU bearing a photograph and the date of birth of the holder;
- Any other form of identification agreed with a representative of the Police Licensing Unit.

All staff who are involved in the sale of alcohol will be trained in relation to the "Challenge 25" policy upon the commencement of their employment, following which they will undertake refresher training at least once every twelve months. Said training will be documented and will be made available to an authorised officer upon request.
