<b>KEY DECISION:</b>	<b>No</b>	If yes, date of publication:	N/A

The Council will be asked to consider the following motions submitted under Council Procedure Rule A9:-

**1. Urgent Action on the Impact of Whinney Hill Landfill Site**

This Council notes:

- The ongoing issues affecting residents due to the seagulls and odour emanating from the Whinney Hill Landfill site.
- The detrimental impact these issues have on the quality of life, health, and well-being of local residents.
- The responsibility of Lancashire County Council, the Environment Agency, and SUEZ in regulating, managing, and mitigating the environmental impact of the landfill site.

This Council resolves to:

1. Write to Lancashire County Council, the Environment Agency, and SUEZ to highlight the significant impact the landfill site is having on residents due to the persistent odour and seagull nuisance.
2. Urge all responsible authorities to take immediate and effective action to address these concerns, including enhanced mitigation measures and stricter enforcement of environmental regulations.
3. Request a formal response outlining the actions they intend to take and a timeline for implementation.
4. Work closely with residents and relevant agencies to monitor progress and ensure accountability in resolving these ongoing issues.

This Council demands urgent action to protect the well-being of our community and will continue to press for a resolution to these unacceptable conditions.

**2. Special Educational Needs and Disabilities (SEND) Provision in Hyndburn**

That this Council resolves to write to Lancashire, urging immediate action to address the serious concerns raised in the recent Ofsted report on SEND provision. This includes publishing a clear improvement plan, engaging with parents and stakeholders, and ensuring transparency and accountability in delivering necessary reforms. Hyndburn children and families deserve better support without further delay.
