Dear [redacted]

I act for John Yeomans who is the Premises Licence Holder for the Walmsley Arms, 26 Queen Street, Great Harwood. He has forwarded a letter from yourself advising that the hearing of this matter has now been arranged for the 13 February 2017. I understand from my client that he is in Gran Canaria between 12 and 26 February, his holiday having been booked some time ago. The Hearings Regulations require that the hearing take place within twenty working days beginning with the day after the end of the period during which representations may be made. I understand the representation period ended on the 31 January and so accordingly it would still be possible to hold the Review hearing on the 27 February which is the day after my client returns from his holiday. I really do believe it would be in everyone's best interests for the DPS and Premises Licence Holder to be in attendance.

I am afraid that I am also out of the country on the 13 February and having previously advised John at a hearing would hope to represent him again regarding this matter. I would therefore be most grateful if you would kindly consider adjourning this matter.

My client has also been advised that a number of other representations may have been made in relation to this matter and I would be most grateful if you could forward those representations at your earliest convenience to enable me to better advise my client further.

Kind regards

Thanks [REDACTED]

I'll ask John to provide confirmation of his holiday.

I appreciate that we could instruct counsel to attend the hearing in my absence but thought that the fact that we were both away might assist our adjournment request.

I hope to be in touch again shortly.

Kind regards,

Good afternoon [REDACTED]

Thank you for your email.

I did inform Mr Yeoman by letter on 25th January, 2017 of the Committee date. I can also confirm that our Enforcement Officer posted the five representations through the premises letter box at 1pm today with a covering letter.

In relation to an adjournment, I can only refer the matter to the licensing solicitor and Chair of the Licensing Sub-Committee for their consideration. In the mean-time perhaps Mr Yeoman could provide proof of his pre-booked vacation as Members tend to ask this when a holiday has been sighted as the reason for the adjournment. Where the solicitor is unavailable, it is often the case that a substitute solicitor is sought.

I am out of the office after today until Monday, I would therefore advise you to use the licensing email address for further communication until my return. licensing@hyndburnbc.gov.uk

Kind regards

Good afternoon [REDACTED] and thank you for your email and attachment.

This appears to be like any online booking system, as indicated by the drop down booking confirmation which will access a booking history screen and the 'View all bookings' tab? I am sure Mr Yeoman will be able to clarify on which date he booked the holiday. It will also show on his credit card statement when the booking payment was made online too.

Kind regards

Dear [REDACTED],

Please find attached confirmation of the holiday that is booked for the 13-26 February. Upon receipt of the attached I asked for confirmation as to exactly when the holiday was booked.

Unfortunately John printed these details (the holiday was booked last November) but doesn't have the email confirmation which would show the date it was booked. He has asked Booking.com to send him confirmation that the holiday was booked (as a Valentine's day surprise) last November and hopefully he will have details from them today.

I do believe it would be in everyone's best interests to have the Premises Licence Holder and DPS present at the hearing and would respectfully ask that if at all possible the hearing be adjourned.

As soon as I get any further information from John I will forward it to you.

Kind regards,

[REDACTED]
