The Chief Planning and Transportation Officer submitted a report setting out recommended action on whether the temporary Tree Preservation Order (TPO) that had been placed on the tree below should be made permanent.

Sycamore Tree at the rear of 27 Queen Elizabeth Crescent, Accrington.

The Chief Planning and Transportation Officer presented information and photographs of the tree and advised Members of the Committee that if the Temporary TPO was not made permanent then, notwithstanding the legal status of the 1952 TPO, the applicant would be entitled to fell the tree.
